“It’s so discouraging when I’ve met all the requirements & am still not shortlisted.

Over representation of women in casual & insecure employment means women are more likely to have lost their jobs due to the pandemic. Unemployment is strongly linked to deterioration in mental health and self-esteem.

CoRE members can take action to support young women by:

- providing equal opportunities
- recognising volunteer experience
- de-identifying resumes so that young women from diverse backgrounds (or intersectional young women) are considered
- recognising unconscious bias toward young people.
