

# Education & Training: Medical Abortion

Royal Women's Hospital, Women's Health Grampians,  
Ballarat Community Health and Western Victoria Primary Health Network  
invite you to attend this medical abortion information session

Medical abortion is the preferred method of termination of nearly 50 per cent of women worldwide who experience an unwanted pregnancy. The procedure is as simple and safe as surgical abortion. However, despite the legal status of abortion in Victoria there remains limited access to medical abortion.

Dr Paddy Moore, Clinical Head, Abortion & Contraception Service, Royal Women's Hospital will share her expertise providing:

- An overview of training requirements for providing medical abortion
- An update on medical abortion procedures, practice experiences, support and referral pathways for GPs who provide medical abortion

Sessions are open to:

- GPs, GP Registrars, Medical Students
- Practice Nurses, Women's Health Nurses, Nurse Practitioners
- Pharmacists

Proudly supported by:
