

# Women's Health Grampians Equality for All

**Equality for All will continue to strengthen the CoRE Alliance to prevent violence against women and their children, while raising awareness of diversity and empowering local women to be champions of change as Equality Advocates.**

**Equality Advocates will support CoRE members by sharing their lived experiences to:**

- **develop a deeper understanding of all forms of discrimination and inequality,**
- **take meaningful action,**
- **work towards advancing diversity, inclusion, and equality for all women.**

**Go to the WHG website [HERE](#) to get to know our Equality Advocates and their topics. Complete the booking form [HERE](#) to invite an Equality Advocate to speak and engage.**
